5 Steps to Developing Strong Organizational Structures

- 1) Choose the right form of legal entity
- 2) Express a clear Gospel mission throughout your legal documents
- 3) Adopt a strong Constitution & Bylaws
- 4) Add policies that express your convictions in a practical way
- 5) Create a culture of peacemaking and accountability

Internal Dispute Resolution

Our internal dispute resolution work includes helping churches navigate the challenges of internal division, disputes between a church and one or more members and staff terminations. We do this by applying the biblical principles of peacemaking with a view toward turning conflict into opportunity.
